

New HDPE Pipe: the **WATERCRIMP**

From the creator of Polycrimp, Dallai is proud to introduce the **WATERCRIMP**.

WATERCRIMP is the answer to a market driven request for a safer pressure rated product, extremely versatile working in pressure and suction applications, engineered and tested upon dewatering industry standards.

WATERCRIMP ONLY uses HDPE SDR17 IPS pipes Made in America.

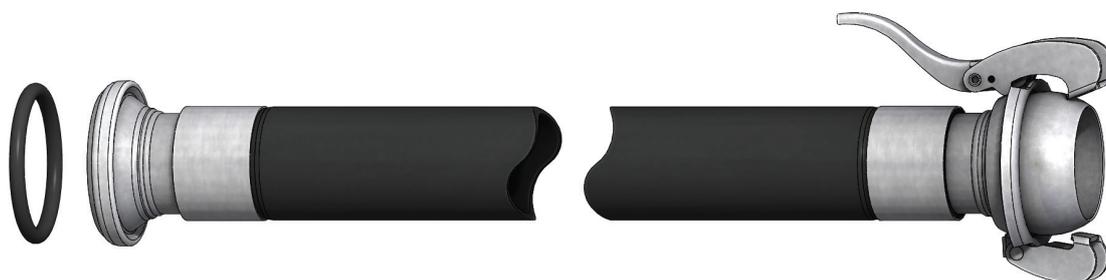

Features traceability across leading industrial crimping system, and is pressure tested @120PSI.

The quality and reliability of the Dallai system with an American made product.

Applications

- RECLAIM
- SEWER BYPASS
- DRAINAGE
- IRRIGATION
- DEWATERING
